WELCOME TO WINS SUMMER CAMP!

The International staff will take care of your children throughout the whole day, offering a wide range of **activities held in English**: from sport tournaments to swimming lessons, field-trips, creative workshop and many more.

SPORTS AND LEISURE ACTIVITIES

On WINS' Campus we have many facilities where your children will be able to play and learn in a safe and **welcoming environment**. In the outdoor area there is a big playground and a sport field, we also have a swimming pool and an indoor fully equipped gym.

ROBOTIC AND CREATIVE LABS

Thanks to functional spaces designed for **creative activities**, children can take part in creative and musical workshops, developing **their interests** in a playful and engaging environment.

FIELD-TRIP

Once a week we organise amazing **field-trips** held by a team of expert guides. The children will spend time discovering our region by exploring rivers and mountains.

FRESH MEALS EVERY DAY

We offer a **premium quality Food & Beverage** service in order to guarantee fully balanced meals that are cooked and served in the campus Canteen. We cater for allergies, intolerances, and specific diets.
